PART VI

PUBLIC ADVERTISEMENTS

OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 22nd August 1949.

Felling of Trees and Preparation of Cowdung Cakes.

It is a well-known fact that the country is deficit in the production of food grains. Among many other causes, want of application of manure to increase the fertility of the soil has to a great extent reduced the yield of food grains in every acre of cultivated land. The deficit of the quantity of manure required can be made to a considerable extent if only the villagers make up their mind not to fell for fuel purposes Honge and other manure trees which are useful for green manure. Even the cowdung should be used for the same purpose instead of using it for the preparation of cowdung cakes for fuel.

Government therefore make an earnest appeal to the public in general to preserve the Honge trees and cowdung solely for manure purpose

(P. N. No. 65—22-8-1949—6,401-6,550).

Press Note.

Dated 23rd August 1949.

Health of Livestock for the month of July 1949.

In their order of severity, outbreaks of Black-quarter, Hæmorrhagic septicæmia, Anthrax, Foot and Mouth, Sheep-pox, Contagious caprine, Pleuro-pneumonia and other diseases were encountered in the State, while it remained conspicuously free from Rinderpest during July 1949. Altogether, 453 villages were reported to have been affected by one or the other of the above contagious and infectious diseases as against 483 villages during the previous month. The number of outbreaks were highest in Shimoga and Kolar Districts, while Hassan and Chikmagalur Districts were least affected. The diseases accounted for 1,785 attacks and 1,213 deaths, as against 1,556 attacks and 1,372 deaths during the previous month.

The Departmental Staff undertook 39,168 preventive inoculations and vaccinations against all the above diseases excepting Foot and Mouth disease as against 37,752 inoculations and vaccinations during the previous month. In the absence of a reliable method of Vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

The prevalence of disease conditions attributable to helminthic infestations was reported from 153 villages by far the largest number of which belonged to Ramanagaram Taluk accounted for 39 deaths as against 198 villages affected and 49 deaths during the previous month. The special staff attached to the Parasitic disease control and the Sheep Breeders' Associations of this Department dosed 11,543 animals against Parasitic affections as against 13,409 animals during the previous month.

The rest of the Livestock remained free from diseases during the month and fodder and water were generally available throughout the State.

(P. N. No. 66—23-8-1949—6,551—6,650).

Press Note.

Dated 23rd August 1949.

Appeal to Ration Card Holders.

The Rationing Officer, Bangalore City, has notified for the information of the public that the time limit, fixed for the surrender of irregular ration cards is extended up to 10th September 1949. The public are earnestly requested to co-operate in this endeavour.

(P. N. No. 67—23-8-1949—6,651—6,750)

Press Note.

Dated 25th August 1949.

NOTIFYING THE CHANGE IN ADDRESS OF RATION CARD-HOLDERS.

It has come to the notice of the Rationing Officer, Bangalore City, that many Ration Card-holders in Bangalore C are not actually living in the houses mentioned on the rat cards and have changed their residences without due not to his office as per rules. He has, therefore by virtue powers vested in him, called upon every Ration Card hol in Bangalore City who has changed his address to notify correct address at which he is now living to the respecti Divisional Food Office at which his card is assigned by 15th of September 1949. Failure to do so will entail t summary cancellation of the Ration Card, in addition penalties prescribed under the Rationing Regulations.

(P. N. No. 68—25-8-1949—6751-6900)

Press Note.

Dated 25th August 1949.

HALF-YEARLY REPORT OF THE RAILWAY DEPARTMENT (FOR THE PERIOD ENDED 30th JUNE 1949).

Important measures undertaken.

1 Remodelling the station yards and buildings at Kad and Chickjajur is nearing completion. Remodelling t station and yards at Davangere and Arsikere also made go progress.

2 Strengthening the track on the Bangalore-Mysore Secti to run Y B class of engines is completed.

3 The proposal for augmenting the strength of th Drawing Branches of the Chief Engineer's and Distri Engineer's offices was sanctioned by Government as temporary measure for one year.

4 The contract for the supply of one lakh of teakwoo sleepers by Messrs. M. N. Ahamedalli and Company, Poon was completed during the half-year and a fresh contrac was entered into with them for the supply of additiona 50,000 sleepers.

5 Certain anomalies that crept up during the recen revision of scales of pay were examined and proposals hav been under consideration of Government.

6 As an amiity ton the railwaymen, a canteen on moder lines was opened at the Central Workshops, Mysore South and the question of opening such canteens at other places i also receiving consideration.

7 R. C. . roofing was provided to the Island Platform a Mysore towards Nanjangud Town and the dismantling o the existing Mangalore tiled roofing and replacing it with R. C. C. roofing for the remaining portion is nearing completion.

8 The work of sinking a 20 feet diameter well on the rear of tank bund near Sandal Oil Factory for supplying water to the Central Workshops and Railway Colony at Mysore South has been taken up and is in progress.

9 The policy of restoring passenger train services to the pre-war level was pursued. The Administration, though handicapped by the shortages of coaching stock, took care to afford relief to sections where over-crowding was acute.

(*a*) The following additional train services were introduced;

(1) One pair of shuttle trains between Mysore and Bangalore;

(2) One pair of shuttle trains between Birur and Davangere;

(3) One pair of trains between Bangalore City and Chickballapur;

(4) The shuttle trains running between Bangalore and Gubbi were extended up to Arsikere;

(5) The shuttle trains running between Mysore and Hosagrahar were extended up to Arsikere.

(*b*) The Mail trains on the Bangalore-Mysore section and the Poona Passenger trains on the Bangalore-Harihar

626

n were accelerated. Y B Class engines were introduced rk the Mail trains between Mysore and Bangalore. has enabled not only speeding up these trains but nabled the hauling of three extra coaches by each train.

(c) Arrangements have been made to provide non-arian refreshment rooms at certain stations on this ay for the convenience of travelling public.

(d) Seven bogie carriages built in Central Workshops released for service.

The re-survey of the traffic prospects of the proposed arajanagar-Satyamangalam-Mettupalyam Railway was leted by the South Indian Railway in collaboration with raffic Representatives of this Railway and of the South n Railway and their report is due.

The manufacture of cast iron sleepers for the use of ways by the Mysore Iron and Steel Works is under ess.

GENERAL STATE OF WORK AND EFFICIENCY.

The gross earnings for the half-year under review about Rs. 120.80 lakhs as against Rs. 116·33 lakhs for irst-half of last year. The coaching earnings for the year under review were about 69.21 lakhs, the goods ings Rs. 51·03 lakhs and Miscellaneous earnings, Rs. 0.56 as against Rs. 70·55 lakhs, Rs. 44·30 lakhs and Rs. 1.48 s, respectively, for the first half of last year.

2 The outturn in shops for the half-year under review 30 locomotives, 135 carriages and 444 wagons as against ocomotives, 134½ carriages and 327 wagons for the first of last year.

3 With a view to arresting creep on Bangalore-Mysore ion, orders have been placed on Messrs. Guest, Keen liams, Ltd., Calcutta, for the supply of 80,000 creep pers and the work will be taxen up as soon as these stop-s are received.

4 An intensive campaign for rail drawing work on all ions of the Railway was taken up simultaneously for a od of four months to avoid buckling of rails.

5 The flying squad of Travelling Train Examiners appoin- to eradicate the evil of ticketless travel have done good work 26,262 ticketless passengers were excessed realising 40,885 whereas the figures for the corresponding period ast year was only 11,680 passengers and Rs. 27,80?.

6 The turn-round of wagons has been improved to 4.7 d compares favourably with the figures of other Govern-nt of India Railways. The number of wagons loaded on s railway for the half-year under review was 40,811 as ainst 32,380 for the first half of last year.

7 There has been an improvement in the settlement of ims cases. The number of claims cases dealt with during e period was 6,862 as against 5,498 dealt with during the responding period of last year and the average time taken dispose of a case was 101 days as against 107 days, taken eviously.

8 There has been considerable improvement in the unctuality of trains. The average percentage of punctuality train services has increased to 56 as against 36 for the rresponding figure of last year.

9 With a view to developing rail traffic and providing reater facilities to the mercantile public, four more out-gencies were opened at Hunsur, Chellakere, Mulbagal and aklespur and it is proposed to open a few more out-agencies other places shortly.

10 An additional sub-store was opened at Bangalore City cater to the urgent needs of the several departments and so to reduce unnecessary haulage of stores materials.

IMPORTANT MEASURES REQUIRING ATTENTION.

1 With a view to eradicating the evil of ticketless travel n this railway system and to educating the public in this irection, slides are proposed to be displayed in movie heatres of important towns and placards and posters are roposed to be displayed at the Booking Offices of important ailway stations.

2 To prevent thefts and pilferages of goods, it is roposed to strengthen the watch and ward establishment, especially at Bangalore, Mysore and Arsikere which are junc-tion stations.

3 Proposals for constructing Island Platforms at Banga-ore City Station as a first step of re-modelling that station ave to be worked out.

4 Detailed proposals for duplicating the metre gauge rack between Yesvantpur and Bangalore have also to be worked out.

5 Sanction of Government has been received to convert the three old Dodge Buses, now lying idle in Central Workshops into Ambulance vans with a view to equipping the same with necessary first-aid kit, stretchers, etc. and to make them readily available to rush to the spot of accident in an emergency. It is proposed to take up immediately the conversion of one vehicle into an Ambulance van at an estimated cost of Rs. 3,000.

IMPORTANT APPOINTMENTS TO BE MADE AND OBSERVATIONS AND SUGGESTIONS RELATING TO THE FUTURE WORKING OF THE DEPARTMENT.

1 The question of opening an Engineering Workshop for the manufacture of permanent way materials is receiving consideration of the administration.

2 With a view to implementing the orders of Government sanctioning extra staff for the Drawing Branch of the Engineering Department action is being taken through the Public Service Commissioner to select the required personnel.

3 Orders of Government have since been received for the appointment of Production Chasers in the Central Workshops and action is being taken to select the personnel with requisite qualification.

4 With a view to clearing up the 'outstandings' at Bangalore "outstanding" Inspectors have been posted and the personnel have been drafted from the Audit and Traffic Departments.

(P.N. No. 69—25-8-49—6,901-7,000)

Press Note.

Dated 30th August 1949.

Registration of Refugees.

The attention of the refugees is invited to Government of India letter No. F-2 (6) G-(R)—49, dated 26th January 1949 restricting *inter alia* the inter-provincial movement of refugees and to the instructions, of the Mysore Government in their letter No. 7522—C.B., dated 15th March 1949, to say that such of the refugees who have come from other camps without proper authority and concurrence of the Provincial Government from which they are moving should not be registered and to report the unauthorised movement of refugees.

Pursuant to the directives referred to above, the registration of refugees coming to Bangalore without proper authority and the concurrence of the respective Governments to which the movement is allowed, has been put a stop to.

(P. N. No. 70—30-8-1949—7001-7100).

1517

Press Note.

Dated 31st August 1949.

With a view to encouraging Harijans to take a large shar in the Industrial development of the country, the Government of India have set apart a special quota of iron and steel for distribution to Harijan Co-operative Societies or such of those Harijans, as are engaged in small scale fabrication of Iron and Steel both for Agricultural and non-agricultural purposes. It is felt that there is very poor response from Harijans, for whose benefit a special quota of steel has been earmarked.

It is therefore requested that such of those Harijans, as are engaged in small scale fabrication of steel, may form Co-operative Societies or similar bodies and thus become eligible to take advantage of the Central Government's offer of a regular quota of steel. After forming such Co-operative Societies or similar bodies, they may send in their application to the Iron and Steel Controller for Mysore, Bhadravati, giving out the detailed information regarding the machinery used, the number of workers, articles fabricated and the minimum quantity of steel required per quarter. The Iron and Steel Controller for Mysore, Bhadravati, will then consolidate the applications received from the Harijan Co-operative Societies or similar bodies and forward the same to the Central Government for getting allotment of steel to the State from out of the special quota earmarked for the purpose.

It is hoped that Harijans, engaged in small-scale manufacture of steel, will take the best advantage of the offer and make the scheme, envisaged by the Central Government, a success.

(P. N. No.71—31-8-1949—7101-7200).

1517

Press Note.

Dated 31st August 1949.

The Government of Mysore have passed orders under Section 26 of the Mysore Administration of Evacuee Property (Emergency) Act, 1949, prohibiting the transfers of immovable property situated in the areas mentioned below.—

1 Bangalore District (Urban).
2 Ramanagaram (Closepet), Channapatna and Kankanhalli Taluks.
3 Mysore, T.-Narsipur and Hunsur Taluks.
4 Kolar and Bowringpet Taluks.
5 Tumkur, Tiptur, Sira and Kunigal Taluks.
6 Mandya, Malavalli, Nagamangala and Krishnarajapet Taluks.
7 Shimoga, Chennagiri and Honnali Taluks.
8 Hassan and Arsikere Taluks.
9 Chikmagalur and Tarikere Taluks.
10 Chitaldrug and inclusive of all Municipal areas in the above taluks.

This has been done in accordance with an all-India policy for taking effective action to prevent frittering away of evacuee property and to prevent fraudulent transfers. The Deputy Commissioners of Districts have been empowered to grant exemptions where necessary, from the operation of this order, freely, *in all* bona-fide *cases with the minimum amount of delay.*

(P. N. No. 72—31-8-1949—7201-7800)

Dated 31st August 1949

Press Note.

The attention of Government has been drawn to certain statements alleged to have been made by some of the speakers at the Labour Conference held in Bangalore last week-end.

It is complained that minimum wages have not yet been fixed in Mysore. The public must be aware that the Minimum Wages Act was recently passed and Rules under the Act were framed and published only last week. A Minimum Wages Board for the Kolar Gold Fields area has been appointed and was awaiting the publication of the rules to begin its work. Separate Boards will be constituted for each industry and area. The matter is being attended to with expedition and there is no point in complaining as if the Government were idling.

It is asked "how can a man live on Rs. 15 or 20 a month?" The lowest paid servant in any Government Department or Concern gets Rs. 27 a month. There are only a few of them,—sweepers and scavengers among whom more than one in each family work. Most among even the menial establishments get more than Rs. 30 a month. Among industrial labourers the average basic pay is about 14 annas a day which, together with the D. A. which varies from Rs. 8 to Rs. 30 a month, aggregates Rs. 30 and more per month. It is misleading to state that any employee is asked to live on Rs. 15 per month only.

Agricultural labourers are much worse off than industrial labourers and there is a trek towards towns and cities which, besides showing that conditions of industrial labour are more attractive-such as they are-is affecting prejudicially the output of agricultural Produce. Government feel that there must be parity between agricultural labour and industrial labour, having due regard to the different environments in which each works; and that the conditions of industrial labour is improving from day to day.

To say that workers will no longer tolerate, that the conditions are such as will cause shame and surprise and the like are calculated to incite the workers. It is reported that Shri Asoka Mehta stated that "while Governments are deceiving the workers, how can the workers have any mind to work?" If the report is true, it is an extravagant statement far from truth and a direct incitement to the workers.

Finally, civil liberties are alleged to have been violated. Government are definitely of opinion that while individual liberty is valuable and Government are willing and anxious to protect it, the security of the State and the maintenance of law and order with a view to the preservation of peace and tranquillity is as valuable, if not even more so; and whenever any individual threatens the latter he has to be prevented from doing so. Civil liberties are not only protected but those who endanger and violate them are prevented from doing so.

Labourers have their best friends in the Government who are doing and will do all they can to help them to improve their conditions of life and work. Government have secured a number of legislative enactments passed within the last few years calculated to improve the conditions of labour. Apart from the Labour Act and the Factories Act, they have got the Payment of Wages Act, the Holidays with Pay Act, the Canteens Act, the Shops and Establishments Act, the Employees' Insurance Act, the Children's Act, the Minimum Wages Act and the Labour Housing Act, all of which being expeditiously enforced.

The Labour Act was found to be capable of improvem and Government had a bill ready. It has been postpone the suggestion of the Dominion Government with a view bring about uniformity of law throughout India.

A number of administrative measures have been taken hand. Labour Investigators and Labour Welfare Officers appointed in every place to watch over and protect interests of the workers. An independent Labour Secreta has been constituted with a full complement of officers attend to the welfare of labour. An Employment Excha has been established which is finding jobs for the unemplo and is increasingly becoming useful. A grant of Rs. 10 la has been made for Labour Housing and the City Improvm Trust Board, Bangalore, is building houses on appro patterns for labourers in the Industrial area. The work be carried on all over the State. A Special Officer is be appointed to enquire into and report upon the conditions women workers in the State. Inspectorates are be increased and officers appointed to enforce all the rules a regulations for the benefit of workers. Assistant Commissione of Labour are in charge of various divisions and are daily contact with workers suggesting to them and to t Employers as also to the Government what is desirable each to do with a view to improving the conditions of life a work of labourers all over the State.

The State is abreast of the latest movements in labo advancement and welfare and is enforcing all the conventio and recommendations of the International Labour Organiz tion ratified and accepted by the Dominion Government.

It is needless for Government to point out that the mislea ing statements made at the Labour Conference are, to say t least, unfounded and calculated to harm the cause of t workers in the State.

(P. N. No. 73—31-8-1949—7, 331-7,400)

Notification dated 22nd August 1949.

Tenders for the supply of rations to Departmental elephants working in Bhadravati Forest Division during the calendar year 1949-50.

Sealed tenders will be received by the District Forest Officer, Bhadravati Division, in his office till 4 P.M. on 12th September 1949 for the supply of the following articles of rations to Departmental Elephants in the Division, commencing from the date of execution of the agreement by the successful tenderer to end of June 1950

The approximate quantity of rations to be supplied is as follows :

Paddy	...	250 pallas	...
Straw	...	8,000 bundles of 5 lbs. each	...
Salt	...	250 seers by measure	...
Castor oil	...	360 seers by weight	...
Cocoanut oil	...	20 do	...

More or less.

3. Each tender must be accompanied by a deposit of Rs. 100 in currency notes as earnest money and be superscribed as " Tender for the supply of rations to Elephants."

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the same.

5. The name of the successful tenderer will be notified in due course on the Notice Board of the District Forest Office, Bhadravati, and the tenderer should within a week of the intimation therefor, enter into an agreement for the due fulfilment of contract duly furnishing a cash security deposit of Rs. 200 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace provisions which may be rejected by the Range Officer. In case he fails to do so the supply will be made by the Department and all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month the tenderer will be paid through the Range Forest Officer for the value of the rations that may be supplied during the month on a bill to be prepared and sent to this office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

10. The contractor should also supply any special ratio required whenever required at the current market rates.

11. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 in each case or to cancel the contract at any stage and forfeit the deposit in full or pa The fine, if any, levied on the contractor will be recovered from the contractor's bill or security deposit.

12. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per tender notification are fulfilled.

		Experimental Timber Dep t, Chikmagalur	300	40
5	Sargod Plantation Area...	Horahatti Depot (Road Side).	1,000	10

1 The tender should be addressed to the District Forest Officer, Chikmagalur Division, and should be sealed and superscribed as "Tender for carting of Timber" and should be accompanied by a deposit of Rs. 200 in currency notes.

2 Rates should be quoted per C.ft. of timber carted separately from each locality to the place noted against them and should be written in words and figures.

3 The successful tenderer should within three days from the date of receipt of intimation of acceptance, execute an agreement on a stamped paper of ten annas. He should also furnish a security deposit of Rs. 250 inclusive of Rs. 20 referred to in para 1 *supra* in the shape of a Savings Bank account in a Government Treasury and pledge it in favour of the District Forest Officer, Chikmagalur.

4 Loading of logs into carts or lorry and unloading and stacking them at destination as directed by the Officer in charge of the Depot should be done by the tenderer himself.

5 Carting of timber should be commenced within a week after the execution of the agreement referred to in para 3 *supra*.

6 Petrol coupons cannot be provided by the Department in case the tenderer decides to transport the timber in lorry. As such it is the look out of the tenderer to employ such means of transport as to ensure prompt and speedy carting of the quantities made available.

7 The tenderer should abide by the instructions of the local Range Forest Officer in the matter of carting different kinds of timber.

8 The final acceptance of the tender rests with the Conservator of Forests, Shimoga Circle, Shimoga, who does not bind himself to accept the lowest or any other tender or to assign any reason for the rejection of any or all the tenders.

For other conditions of the contract, please contact the District Forest Officer, Chikmagalur Division, Chikmagalur during office hours on any working day.

3 Each tender must be accompanied by a departmental receipt for having deposited in the office of the undersigned or in the Office of the Chief Electrical Engineer at Bangalore, the deposit of Rs. 800 (Rupees eight hundred only).

Specific rates should be given for each item in the schedule and the rates should be noted both in words and figures.

4 The tendered rate should be noted for work to be done as per standard specifications approved by the Department and for using the best quality of materials.

5 The whole work should be completed within six months from the date of acceptance of the tender. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form for the due fulfilment of the contract.

6 The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender or only portion of a tender. If any dispute arises in the interpretation of the clauses of the tender in respect of any item of work or specification, the decision of the Chief Electrical Engineer shall be final.

7 The earnest money will be forfeited to Government if the tenderer backs out when his tender is accepted or if he fails to execute the work satisfactorily in time, his contract will be cancelled and other arrangements will be made by the Department. Thus, any loss or extra expenditure that may have to be incurred by the Department will be recovered from him either as arrears of land revenue or in any manner considered suitable.

8 Cement will be supplied departmentally at the Off Stores, Sivasamudram, at the prevailing market rate a indicate expenses with centage.
